- **=GPT**("Write one short assumption sentence on what company does based on the following information to the owner or employee of that business. Make sure to call out something specific that only applies to that company. Start with “I came across your profile on linkedin”, then express genuine interest in their company e.g. I love how you or it's amazing how. Make it personal, simple, short, specific, to the point. Avoid repetition, fluff. Write in conversational style as a high schooler would understand. Max 20 words"**&A1)**
